

The background is a light blue color with a repeating pattern of stylized black clock faces and stacks of gold coins. The clock faces are simple, with tick marks and hands. The coins are gold with a dollar sign on them. The central text is enclosed in a white rectangular box with a thick orange border.

TIME AND MONEY

ALL ABOUT TIME

INTERACTIVE PRESENTATION

INTRODUCTION TO CLOCKS

Analog Clocks: Feature hour and minute hands on a numbered dial.

Digital Clocks: Display time numerically, showing hours and minutes separated by a colon.

READING ANALOG CLOCKS

Minute Hand: Longer hand indicating minutes.

Hour Hand: Shorter hand indicating the hour.

Reading Time: First, read the hour hand; then, read the minute hand by counting the tick marks or numbers.

COUNTING MINUTES ON AN ANALOG CLOCK

Minute Marks: Each number represents 5 minutes.

Counting by Fives: Multiply the number the minute hand points to by 5 to get the minutes past the hour.

Example: If the minute hand points to 1, it's 5 minutes past the hour.

UNDERSTANDING A.M. AND P.M.

A.M.: Times from midnight to noon.
P.M.: Times from noon to midnight.

Examples:

- 8:00 A.M. – Morning activities like waking up.
- 8:00 P.M. – Evening activities like dinner.

READING DIGITAL CLOCKS

02:30

- Format: Displays time in hours and minutes (e.g., 2:30).
- Understanding: The number before the colon is the hour; the number after is the minutes.

Basic Money Skills for a
Bright Future

EVERY CHILD SHOULD LEARN

WHAT IS MONEY?

Understanding Money, Money is what we use to buy things we need or want, like food, toys, and clothes. We can earn money by working, and we spend money to get what we need.

LEARN MORE

HOW DO YOU EARN MONEY?

LEARN FOR MORE TIPS

Chores: Doing tasks around the house like cleaning your room or helping with dishes.

Allowance: Some parents give kids an allowance for doing chores.

Small jobs: As you grow, you can earn money by doing small jobs for neighbors,

Selling Handmade Crafts: Bracelets, drawings, or baked goods can be sold

THE IMPORTANCE OF SAVING

Why Should We Save? Saving means keeping part of your money for later.

Save for the future

It helps us buy bigger things like a bike or a game.

Emergency savings

It can also help if something unexpected happens.

HOW TO SAVE MONEY?

PIGGY BANK

Start with small amounts and put money in your piggy bank or a savings jar.

BANK ACCOUNT

You can open a savings account in a bank and watch your money grow with interest.

BUDGETING

MAKING YOUR MONEY LAST

What is a Budget? A budget is a plan for how to spend your money.

Spend wisely

Decide how much to spend on things you need (like food) and things you want (like toys).

Save some

Always try to save a little bit each time you get money.

Needs are things you must have, like food, clothing, and school supplies.

NEEDS VS WANTS

Wants are things you like to have but don't really need, like candy or a new game.

WHAT'S THE DIFFERENCE?

It's important to know the difference to spend wisely!

GIVING AND SHARING

Why Should We Share? Sometimes, we use our money to help others.

Charity is a wonderful way to share by giving money to help those in need, while gift-giving allows you to use money to buy thoughtful presents for family and friends.

It feels good to help others with what we have!

The background features a series of light green diagonal stripes. Scattered around the central text are various illustrations of money: a stack of blue banknotes in the top left, several gold and silver coins in the top right, a few more gold coins on the left, and stacks of brown and gold coins in the bottom right. There are also some blue banknotes on the right side.

GROWING YOUR WEALTH

Investing turns savings into assets. Whether in stocks, property, or business, it helps grow money over time.

BEYOND COINS AND BILLS

Modern money includes cards, apps, and cryptocurrencies. Digital finance makes transactions faster—but requires smart, safe usage.

FINANCIAL HABITS THAT MATTER

Success with money isn't just about how much you have—it's how you manage it. Discipline, knowledge, and goals create long-term stability.

THE VALUE OF HARD WORK

Why Hard Work Matters Money doesn't just
appear – it comes from hard work!

- When you work hard, you earn money.
- When you work hard, you earn money.
- Learning the value of work helps you appreciate money and use it wisely.
